

Deal Registration Program Guidelines

The IMTLazarus Deal Registration Program (“Program”) is available to all IMTLazarus Authorized Resellers (“Resellers”) in North America. The purpose of the Program is to protect and reward Resellers for sourcing and closing new IMTLazarus sales opportunities.

Benefits of Deal Registration

- Establishes a co-selling relationship between the Reseller and IMTLazarus.
- Enhances the profitability of the Reseller.
- Provides a selling advantage to Reseller to win the business.
- Earns 5% protected discount on opportunities resulting in an active pilot program.

All qualified Resellers participating in the Program must understand and adhere to the Program Guidelines. The Program terms and conditions outlined in this document are subject to change or modification or termination by IMTLazarus at any time.

Program Overview

Resellers can leverage their sales teams to register eligible IMTLazarus sales opportunities through the IMTLazarus Registration Program. Eligible IMTLazarus sales opportunities are defined as deals that are:

1. Not currently registered in the IMTLazarus Deal Registration system.
2. Net new to the IMTLazarus sales pipeline.
3. Have an incubation period of at least ten business days.

Resellers that register eligible opportunities in accordance with the Program Guidelines are eligible to receive a 5% discount off Reseller unit cost if the deal is closed within 90 days. At each Reseller’s discretion, the discount may be extended in whole or in part to the end-customer to help close the deal or can be retained as additional margin. IMTLazarus has authorized Douglas Stewart Software & Services to extend the additional discount to qualifying Resellers (off-invoice) when providing quotes and processing orders for approved registered deals.
